

RIYA MAURYA

Full Stack Web Developer (MERN Stack) | B.Tech Computer Science (2022–26)

+91 8090843006 | mauryariya306@gmail.com | LinkedIn: <https://www.linkedin.com/in/riya-maurya-95a9703a5> | Github: <https://github.com/riyamaurya683> | Lucknow, Uttar Pradesh

PROFESSIONAL SUMMARY

Detail-oriented Computer Science Engineering student (AKTU,2026) with hands-on experience in **Full Stack Web Development**. Proficient in building dynamic, responsive web applications using the **MERN stack** (MongoDB, Express.js, Node.js) along with HTML, CSS, and JavaScript. Strong foundation in **Data Structures & Algorithms with Java**, with demonstrated ability to build production-level clones of industry platforms. Passionate about backend architecture, scalable systems, and delivering clean, maintainable code.

TECHNICAL SKILLS

Language:	Java, Javascript, Python
Frontend:	HTML5, CSS3, Javascript, React.js (basic)
Backend:	Node.js, Express.js, REST APIs
Database:	MongoDB, Mongoose, SQL
Mobile(Learning):	Flutter, Dart,Widget-based UI, API Integration , Shared Preferences
Tools & Technologies:	Git, GitHub, NPM, MVC Architecture , Passport.js, Cloudinary, Map API, JWT, EJS, VS Code,
Concepts:	Data Structures & Algorithms , OOPS , CRUD Operations , Authentication & Authorization

PROJECTS

Airbnb Clone | Full Stack Web Application (MVC Architecture)

March 2026 – Apr2026

Tech Stack: HTML, CSS, JavaScript, EJS | Node.js, Express.js | MongoDB, Mongoose | Passport.js, Cloudinary, Map API

- Built a full-stack property listing platform where users can create, explore, and manage listings with authentication and reviews.
- Implemented user authentication (Signup/Login/Logout) using Passport.js with role-based authorization — only listing owners can edit or delete listings.
- Integrated Cloudinary for image uploads and Map API for interactive location display on each property listing.
- Developed complete CRUD operations for listings along with a review and rating system.
- Built a property booking system with check-in/check-out date selection and dynamic total price calculation; all booking data persisted in MongoDB.

Amazon Clone | Full Stack E-Commerce Web Application

Dec 2025 - Jan 2026

Tech Stack: HTML, CSS, JavaScript | Node.js, Express.js | MongoDB, Mongoose | JWT, Bcrypt, Stripe API

- Developed a fully functional Amazon-inspired e-commerce platform with product listings, search, cart, and checkout features.
- Implemented secure user authentication using JWT-based login/registration with password hashing via Bcrypt, supporting role-based access for admin and customers.
- Built an admin dashboard enabling product management (add, edit, delete listings) and order tracking with real-time inventory updates.
- Integrated Stripe payment gateway for simulated end-to-end checkout including order confirmation and payment summary.
- Designed a responsive UI with product filtering by category and price range, dynamic cart updates, and wishlist functionality.

GitHub: <https://github.com/riyamaurya683/amazon-clone>

Online Appointment Booking System | Frontend Web Application

Oct 2025 - Nov2025

Tech Stack: HTML, CSS, JavaScript

- Designed a responsive web app for booking doctor appointments online with intuitive UI and real-time form validation.
- Implemented dynamic UI features for appointment scheduling and management to improve user interaction and experience.

EDUCATION

B.Tech (CSE) — LDC Institute of Technical Studies, Soraon, Prayagraj (AKTU)

2022 – 2026

Overall CGPA: 7.53 / 10 | Highest Semester SGPA:8.88/10 (Semester VIII)

- Intermediate (PCM) — U.P. Board, 2021 | 84%
- High School — U.P. Board, 2019 | 78%

CERTIFICATIONS

- Data Structures & Algorithms with Java — Apna College (Shraddha Khapra),

Sep 2025 – Dec 2025

ACHIEVEMENTS

- Achieved **8.88 SGPA** in the **8th Semester** of B.Tech (CSE)
- Successfully completed **Data Structure & Algorithm with Java** certification (Apna College) .
- Build **Full Stack Web Development (MERN Stack)** project using MongoDB, Express.js, React.js, and Node.js.

LANGUAGES

• **Hindi** Native / Full Professional Proficiency | **English** Professional working Proficiency
